10:00 AM – 6:00 PM  
Peltier Park, Thibodaux

Dear Mr. Bourgeois & Dr. Blanchard

Thank you for your recent application to participate in the 5<sup>th</sup> Annual La Fete d'Ecologie. This letter is to verify your participation and help make you aware of some of the regulations with regards to event day.

Beginning 9:00 AM, the park will be closed to throughway traffic and continue to be closed throughout the days activities. You will be allowed to drop-off your equipment or exhibit and move your vehicle to the specific parking area. The enclosed parking permit must be used to enter the park prior to set-up as well as displayed on your vehicle dashboard once set up is complete. Please check in at the information booth for your location and any fee, if applicable.

The festival will begin at 10:00 AM with the children's wetlands parade and end in the park pavilion around 10:15 AM. At that time, we will have a short opening ceremony and welcome by the Mayor of Thibodaux, Charles Caillouet and brief words from Kerry St. Pe' (BTNEP Director) and Dr. Earl Melancon (BTEF President). Around 10:30 AM the entertainment will begin and run throughout the day.

Because of people like you and your organization, we will have an outstanding, fun and most importantly, educational day.

Again, thanks for the gift of your time and talent in helping to spread the message, "Let's save the EST\_ARY.....All we need is U!!!!!!"

Sincerely,  
BARATARIA-TERREBONNE
