

LOCAL

EARTH DAY CELEBRATION

BRAD PUCKETT / AMERICAN PRESS

## Working to preserve the planet

**Above:** Nicholas Wolf, 6, gets help from The Rev. Deacon Frances "Boo" Kay, principal of Episcopal Day School, as they make a container to hold a seed during the Earth Day celebration downtown on Friday. A group of local green organizations gathered to share information and ways to help make Lake Charles a greener environment. **Right:** Adriana Arango of Green Habits talks with Candice Pauley during the Earth Day celebration downtown on Friday.
